More than Australia...

- **Focus: potential for modelling!**
- Wholestick/billet
- Normally diesel but occasionally steam
- Many gauges, some temporary track
- Truck competition
- Hawaii, Japan, Indonesia, Philippines, etc.
- Fiji (CSR influence)
- Indian sub-continent
- Africa, north & south
- South America, Cuba, etc.

Wait, there's more...

- 9000+ images in the on-line collection, many of them cane railway oriented
- CDs, DVDs, videos, etc. (eg Rob Dickinson on Java, etc.)
- Books: local library and second hand
- Tours, some of them still steam
- Tourist and heritage railways

Happy Modelling...

- The CaneSIG community... individuals who share prototype resources, photos and/or modelling tips to help others
- [2016 Note: NGrail supported the informal NMRA narrow gauge modelling community for over a decade but has since been disabled]
- Your contributions always welcome...
